

WELCOME TO THE

The St. Lawrence River has always been a beautiful and majestic waterway. In 1971 a group of dedicated SCUBA divers decided to make the river the focus of their underwater adventures. Years and thousands of diving hours later, The Seaway Valley Divers continues to promote the sport of SCUBA diving, not only in this area but wherever members are willing to get their feet wet.

The Seaway Valley Divers has successfully endeavored to promote safe diving practices, numerous assorted diving experiences and social interaction within the membership. Efforts are always made to meet the need of divers regardless of their level of experience.
